## WHAT IS PRE-PLANNING?

It is the process of making final arrangements before the event of death.

Your decisions are documented so your final wishes are honoured.

You can select the type of funeral, casket, floral arrangement, and personal touches.

Includes a level of pre-funding/pre-financing of the funeral or memorial.

## WHO ARE WE?

The Family Legacy Company Limited (FLCL) is a subsidiary of the Belgroves Group of Companies and has over 30 years of experience in delivering pre-financing funeral solutions to families. We are committed to helping you soften the impact of financial and emotional stress on family members while ensuring your final goodbye is the way you envisioned.

## WHY DO WE EXIST?

As emotionally daunting as pre-planning and pre-financing your funeral or the funeral of your loved one may appear, death is ironically part of life. It discriminates neither age nor gender. It is an inevitability of life.

While we plan for everything in life, even the simplest things, isn't it prudent then to plan for something we know will happen?
